This Corporate Governance Statement relates to the reporting period 1 January to 31 December 2021 and was reviewed and approved by the Board of Directors.

The Statement sets out the key features of the corporate governance framework that Geopacific Resources Limited (Geopacific or the Company) has established. The Company's corporate governance practices reflect the commitment of the Board of Directors to implement the highest standards of ethics, integrity, legal and statutory compliance.

In establishing the corporate governance framework of the Company, the Board has adopted, where appropriate, practices consistent with the ASX Corporate Governance Council's *Principles and Recommendations* (4th Edition) which came into effect for financial years commencing on or after 1 January 2020.

Where after consideration, the Company's corporate governance practices depart from the recommendations, this statement provides an explanation for the adoption of an alternative practice in compliance with the "if not, why not" reporting regime. All practices, unless otherwise stated, were in place for the entire reporting period ended 31 December 2021.

All Policies and Charters referred to in this Statement are available in the Corporate Governance page on the Company's website www.geopacific.com.au.

The Company undertakes appropriate background checks before appointing a person or putting forward to security holders a candidate for election, as a director.
